## 2017 FREE MYSTERY BLOCK - MAY

Here is the May 2017 Free Mystery Block Offering. This month you will be adding a flower block--it is a daffodil with some forget-me-knots at the base.

Please read all the instructions before starting this project.

May - Block 5 4" x 8" finished block) You will need:

Background - black wool - at least 5- $\frac{1}{2}$ " to 9-1/2" Center your design before stitching.

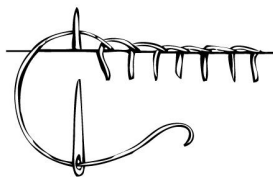

Flower - Daffodil Petal Base- 1- $\frac{1}{2}$ " x 3"

Flowers Stems & Leaves - 1- $\frac{3}{4}$ " x 5- $\frac{1}{2}$ "

Flower - Daffodil Center - 1" x 1- $\frac{1}{2}$ "

Forget-Me-Knots (6) - 2" x 3"

I have stitched this entire block using a blanket stitch. I have kept it simple to enhance the clean lines. I added one french knot for the centers of the forget-me-knots. Have fun with this, stitch it any way you like, embellish it with fancy threads, stitches, beads or anything else that you want. Trim your background piece to a 5" x 9" rectangle once you have completed your stitching....this will give you a  $\frac{1}{2}$ " seam allowance.

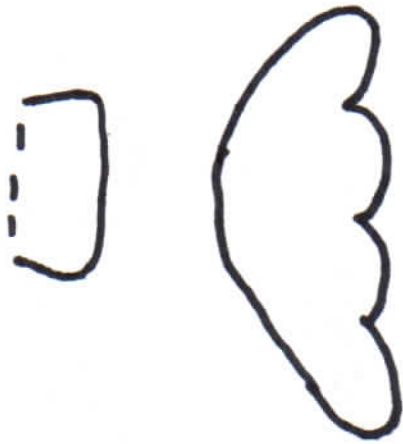

I will have optional kits available on my website [www.shopriversedge.com](http://www.shopriversedge.com).  
In the online catalog type in the words 2017 Free to find the information.

Have fun stitching---Gail Grassel
