### 2017 Summer(Fall) Block of the Week

Welcome to our 5<sup>th</sup> Annual Summer – Delayed until Fall - 2017 Block of the Week. For those of you that have done our Summer Block of the Week in the past, you know that we do something different each and every year. This year is NO exception. We will be making only one (1) block each week. The Block will be a 9" Finished (9-1/2" unfinished). It is an Old Favorite Block. I love neutral quilts and so this year the fabric choice will be blacks/creams. Follow along each week and you will have a quilt that you could finish and gift for the holidays.

We will start this adventure on September 2, 2017 and end on Week 12 which is Nov. 18. Your commitment is for the entire 12 Weeks. I will offer an optional finishing kit, which will include a pattern to those that want to purchase, it will be an additional cost and again is optional.

The weekly cost will be only \$4.99, plus an additional \$2.50, if it is being shipped within the United States. Remember, if you are a WI resident there will be tax added to your cost. Like prior years, please sign up as soon as possible as space will be limited. Once we start this block of the week, there will be no additional people added.

Questions, please contact me at the shop - [gail@shopriversedge.com](mailto:gail@shopriversedge.com)
